COMMUNITY RESEARCH & DEVELOPMENT

Building strong **community** infrastructures through technical support services...

**Advising**

**Assisting**

**Training**

MISSION:

Community Research & Development Department provides Muscogee (Creek) Nation chartered communities with training and technical assistance while working to increase community participation through increased programming, community & cultural outreach.

Community Research & Development (CR&D) will assist the communities in an array of areas including:

- QuickBooks Training
- Constitution & By-laws
- Parliamentary Procedures
- Community Development
- MCN Tribal Law-Title 11 Training
  & much more!

Because Your Community Is Your Home!

Our staff works closely with other departments to increase the available resources and create a cooperative environment that will benefit the Nation as a whole.

Proudly serving Muscogee (Creek) Nation’s twenty-five Chartered Communities!
