

# JOM Parent Committee Training Trainers Test

Some of the JOM Program Coordinators have the option to give their own IEC training instead of having the parents attend trainings provided by the MCN/JOM Program. This is fine as long as the trainer covers all of the areas that are mandated. The following trainers test is provided to you. Once completed and returned to the MCN/JOM Program, your test will be evaluated and you will be notified of the results. This test is our assurance that each trainer fully understands the JOM program and is able to train their parent committee members to the best of their ability. We will be assured that the trainer has a full understanding and knowledge of the requirements.

If you have already conducted your own IEC training you will need to submit this test for FY 2017-18. If your IEC members have attended the In-service training, that will count as their mandated training, but if they have not attended and you as the Director/Coordinator plan to give the training, you must pass the following test.

1. This test is given to allow you to conduct your own IEC Training.
2. As a trainer you must pass this test with an average of 85% in order to conduct the IEC training.
3. You will be allowed to take this test as many times as needed to meet the required 85%.
4. This is an open book test. You are allowed to use any information (JOM Handbook, Federal Code of Regulations etc.) to assist you. You can even call the MCN/JOM office and ask where to find the answers if you can't locate them. We are not trying to make this a burden; we just want to make sure that all areas are covered.
5. The object of the test is not that you memorize the material, but you know where it is and how to use the materials provided to you.
6. The MCN/JOM Program wants to make sure that each of our 45 IEC's are being trained in the same manner and that there is consistency in meeting compliance of the MCN/JOM and federal regulations.
7. Once you pass this test, you will receive a certificate as a trainer for the IEC signed by Regina Keith, JOM manager. You will maintain that certificate for three years. A renewal certificate will be issued after that.
8. You can send this in by e-mail once completed no need to come to the office.
9. You will be notified of the results and your certificate will be mailed to you and placed in your school file.
