Furthermore, the parties agree that nothing in this Agreement shall make any law applicable to a certain person or to certain conduct where it would not otherwise be applicable. Accordingly, the purpose of this Agreement is to vest cross-deputized or commissioned Officers with authority to enforce only the applicable law(s).
- E. The Agencies which are or which subsequently become parties hereto agree to cooperate and share criminal information among themselves to the extent authorized by law.

Any necessary transfer of custody of the prisoner resulting from such determination shall be made at the earliest applicable time. All evidence and investigatory reports and products shall be turned over to the proper prosecuting authority at the earliest practicable time. The prisoner shall be taken before a judge of the appropriate jurisdiction within forty-eight hours after the time of arrest.

- D. In cases of extreme emergency where it is not feasible or practicable to take the Indian prisoner to an HIS or tribal facility, the Indian prisoner may be treated at the appropriate local, federal or state health care facilities as emergency needs dictate. In such emergency cases, a sick or disabled Indian, or an individual or agency acting on behalf of the Indian, or the medical care provider shall, within 72 hours after the beginning of the treatment for the condition or after admission to a health care facility, notify the nearest HIS facility if the fact of the admission or treatment together with information necessary to determine the relative medical need for the services and the eligibility of the Indian prisoner for the services.
- E. In the event it becomes necessary to provide guard security for an Indian prisoner subject to federal or tribal court jurisdiction at a health facility or any place other than jail facilities, Officers of the BIA and the Nation shall have the power and authority to provide such service.
- F. In the event of an emergency mental or psychiatric condition arises with an Indian prisoner who has been arrested by a State Officer under a commission issued pursuant to this Agreement, the Officers of the BIA and the Nation shall have the power and authority to immediately take custody of said prisoner for appropriate action pursuant to applicable law.

- C. The Chief of the Nation's police department, the District Commander of the Office of Law Enforcement Services of the BIA and the chief law enforcement officer of each State Agency shall determine what other training or technical assistance is or may be required for commissioned Officers, particularly in the areas of jurisdiction and tribal, federal and state criminal laws and procedures.
- D. The BIA may provide technical assistance and assist in providing in-house training to Officers of the Nation, administrative personnel and others, depending upon the availability of resources.

Section 11. Property

No real or personal property is to be acquired or held under this Agreement. When personal property is loaned from one Agency to another Agency it shall be returned as soon as possible upon request of the owner-Agency.

Section 12. Reimbursement

Activities of the parties will be financed by the primary Agency of each of the commissioned Officers except as expressly provided herein, or pursuant to a subsequent agreement for which a particular assignment is executed.

Section 13. Conduct

Each Officer who is issued a commission pursuant to this Agreement shall follow the law enforcement code of conduct prescribed by the Commissioning Agency. The code will establish specific guidelines concerning conflicts of interest, employee conduct both on and off duty, impartiality and thoroughness in performance of duty, and acceptance of gifts or favors. Each Officer will acknowledge in writing that he or she has received and understand the code of conduct. The acknowledgement will remain in the file with the employing Agency as long as the Officer is employed with the Agency. Additionally, each Agency is responsible to see that training will be conducted in the code of conduct and ethics issues at least once a year in accordance with 25 CFR § 12.51 or corollary state or local requirements.

Section 14 Liabilities and Immunities

- A. Officers of the Nation or State holding a commission from the BIA while performing any official act in Indian country under authority of said commission shall be afforded all protection afforded by applicable tribal, federal and state laws, and by the Indian Law Enforcement Reform Act, 25 U.S.C. § 2804, including coverage under the Federal Tort Claims Act or other applicable Federal law. Officers of the BIA or State holding a commission from the Nation while performing any official act in Indian country under authority of said commission shall be afforded all protection afforded by applicable tribal, federal and state law. Officers of the Nation or BIA holding a commission from the State while performing any official act in the State under authority of said commission shall be afforded all protections afforded by applicable tribal, federal and state laws.
- B. It is understood and agreed that the Nation, the BIA and the State, their agents, employees and insurers (if any), do not, by virtue of this Agreement, assume any responsibility or liability for the action of Officers commissioned pursuant to this Agreement which are performed outside the scope of authority granted by the commission under which they are acting. Each Agency agrees to be responsible for any and all employer obligations to its own Officers regardless of whether the Officer is acting on behalf of his or her employer-Agency or under a commission issued to him or her by another Agency pursuant to this Agreement. By way of example, and not limitation, these employer obligations include salary, taxes, workers compensation insurance, liability insurance, disability, insurance and retirement benefits. In no event shall a Commission Agency be responsible for another Agency's obligations as an employer to its own employee Officers.

- D. Nothing in this Agreement shall be construed as a waiver of any government's sovereign immunity.

Section 15. Effective Date

- A. This Agreement shall become effective on the last date of execution, after execution by all officials set forth on the following signature pages.

- B. With respect to Agencies which become parties hereto subsequent to the Effective Date set forth above, this Agreement shall become effective as to such subsequent Agencies on the date of execution of an Addendum to this Agreement by the appropriate officials of any such Agency.
