To whom it may concern,

The Hughes County Sheriff's Office fully supports the efforts of the Muskogee Creek Nation's Department of Health in coordination with the Family Violence Prevention Program's efforts to implement a SANE program for this area. At this time the only resources available to this area are in Ada, Shawnee, Oklahoma City, and Tulsa. It is a burden on victims to have to travel such distances after having been traumatized. I feel this program would greatly benefit the citizens of this area and look forward to working closely with the Muskogee Creek Nation's Family Violence Program.

Sincerely,

Marcia Maxwell

Hughes County Sheriff
