Subject: FY 2018 TIP - FHWA Approved - Muscogee (Creek) Nation
Attachments: MCN.6K1.ProjDetailRpt.Approved (01-31-2018).pdf; MCN.6K1.TIP.Approved (01-31-2018).pdf

The Bureau of Indian Affairs, Eastern Oklahoma Region (Region) has received the **Muscogee (Creek) Nation** Tribal Transportation Improvement Program (TTIP) for Fiscal Years 2018-2022 in December 2017. Following the receipt of this submittal, the Region conducted a review of the data and forwarded the data electronically for review and approval to BIADOT Central Office and Federal Highway Administration. As per the requirement of 170.421(b), the Region is forwarding the attached FY 2018 FHWA approved TIP for the **Muscogee (Creek) Nation**.

Upon review of the attached FHWA approved TIP or during the year the Tribe determines to **amend** the attached TIP, please see 25 CFR Part **170.423(e)** The Tribe may amend their approved TTIP at any time using the procedures in § 170.421 and paragraph (d) of this section in order to **add a new project or activity within the current fiscal year that they intend to expend TTP funds on.** Please be aware of the time frames associated in this section for reviewing.

References:

§ 170.421 What is the Tribal Transportation Improvement Program (TTIP)?

(a) The TTIP:

- (1) Is developed from and must be consistent with the Tribe's Tribal priority list or LRTP;
- (2) Is financially constrained for all identified funding sources;
- (3) Must identify (year by year) all TTP funded projects and activities that are expected to be carried out over the next four years as well as the projected costs and all other funding sources that are expected to be used on those projects. Although 23 U.S.C. 134(j)(1)(D) indicates a TIP must be updated once every four years, Tribes are encouraged to update the TTIP annually to best represent the plans of the Tribe;
- (4) Must identify all projects and activities that are funded through other Federal, State, county, and municipal transportation funds and are carried out by the Tribe in accordance with 23 U.S.C. 202(a)(9);
- (5) Must include public involvement;
- (6) Is reviewed and updated as necessary by the Tribal government;
- (7) Can be changed only by the Tribal government; and
- (8) After approval by the Tribal government, must be forwarded to BIA or FHWA by Tribal resolution or authorized governmental action certifying public involvement has occurred and requesting approval.

(b) A copy of the FHWA-approved TTIP is returned to the Tribe and BIA. Although the FHWA-approved TTIP authorizes the Tribe to expend TTP funds for the projects and/or activities shown, it does not waive or modify other Federal, local, or financial statutory or regulatory requirements associated with the projects or activities.

170.423 How are annual updates or amendments to the TTIP conducted?

(a) The TTIP annual update allows:

- (1) Changes to schedules and funding amounts for identified projects and activities; and
- (2) The addition of transportation projects and activities planned for the next four years.

(b) During the first quarter of a fiscal year, Tribes will be notified of the opportunity to update their TTIP. This notification will contain information on where the Tribes can access their estimated TTP funding amounts for that fiscal year, and will include a copy of their previously approved TTIP, as well as instructions for submitting the annual update.

(c) The Tribe must then review any new transportation planning information and priority lists, update their TTIP using the procedures in § 170.421, and forward the documentation to their respective BIA Regional Office or to FHWA.

(d) If forwarded to:

(1) A BIA Regional Office—The Office will review all submitted information with the Tribe and provide a written response (concurring, denying, or requesting additional information) within 45 days. If the BIA regional office concurs in the TTIP, it is then forwarded to FHWA for final approval.

(2) FHWA—FHWA will review all submitted information with the Tribe and provide a written response (approving, denying, or requesting additional information) within 45 days. Once a proposed TTIP update is approved by FHWA, it will be included in that year's overall TTIP.

(e) The Tribe may amend their approved TTIP at any time using the procedures in § 170.421 and paragraph (d) of this section in order to add a new project or activity within the current fiscal year that they intend to expend TTP funds on.

Let me know if you have any questions.

Thank You,

Sylvia Dempsey

Re: TTP-TIP – 2018

Dear Sir:

Muscogee (Creek) Nation is submitting its Tribal Transportation Program – Transportation Improvement Program (TTP-TIP) for fiscal year 2018. The Muscogee (Creek) Nation held a Public Hearing on November 14th to satisfy the requirements listed in 25 CFR Part 170 concerning the TTP-TIP. A summary of the public hearing and other required TTP-TIP certifications are attached. We received your comments concerning the draft TTP-TIP that was previously submitted and have addressed those comments. The Transportation Department is authorized to make revisions to this TTP-TIP as needed or requested.

If you have any questions, please contact Kirk Carson at (918) 732-7907.

Sincerely,

James R. Floyd
Principal Chief

Muscogee (Creek) Nation

TRANSPORTATION IMPROVEMENT PLAN (TIP)
PUBLIC HEARING

NOVEMBER 14, 2017 – 10:00 a.m.

Walter Cotner had concerns regarding the location of the proposed Okmulgee Walking Trail.

- Private land is affected.
- He hasn't been included in the planning process.
- His wife doesn't want the land changed from when her grandfather purchased it in the 1940's.
- Another lady doesn't want the trail 20 feet from her door.
- There aren't any proposed curfews for the proposed walking trail.
- He has offered suggestions to the city, but they have told him no.
- Concerned that people won't pick up trash on the trail.
- Public Works Director wants to use a vacuum truck on the proposed trail/road.
- He fears the walking trail will not be maintained, will be trashed and no enforcement for people using the trail for things other than walking.
- Doesn't want the trail to start out as a truck road.
- Maybe the trail could use public land instead of private land.

Kirk Carson offered some suggestions for his concerns.

- We will personally invite and have a public meeting before the actual design phase of the proposed walking trail to include input from all of those affected.
- We can look at the best alternatives after an environmental assessment before designing anything.
- Creek Nation will be the one running the project.
- Fences could be put up where there are houses at no cost to adjacent property owners.
- We have the funds available to build the walking trail right and be fair to all involved.
- We would be open to walking trails at the Okmulgee Lake too, if requested.
- We can maintain the natural environment where we put walking trails.

NOTICE OF PUBLIC HEARING

Notice is hereby given that the Tribal Transportation Department of the Muscogee (Creek) Nation has developed a draft Tribal Transportation Improvement Program (TTIP) priority list and is holding a Public Hearing to discuss and receive comments concerning the draft TTIP. The TTIP identifies and prioritizes transportation projects proposed for the next 5 years. In particular this TTIP identifies three new routes to be constructed, the Reintegration West Trail, Duck Creek Farm Road, and Okmulgee West Trail. The Public Hearing will be held at the Tribal Transportation Building located at 12805 East Gun Club Road, Okmulgee on November 14, 2017 at 10:00 AM. Copies of the draft TTIP are available at the Tribal Transportation Office located at 12805 East Gun Club Road, Okmulgee. Questions regarding the draft TTIP may be addressed to the Transportation Manager Kirk Carson, at 918-732-7916 or email at kcarson@mcn-nsn.gov. Comments concerning the draft TTIP may be submitted to the Transportation Manager until November 21, 2017.

MUSCOGEE (CREEK) NATION
TRANSPORTATION IMPROVEMENT PLAN (TIP)
PUBLIC HEARING SUMMARY

In accordance with CFR Part 170 the Muscogee (Creek) Nation (MCN) held a Public Hearing on April 26, 2017 to receive comments on their 2017 Transportation Improvement Plan (TIP). The MCN Second Chief, Mr. Louis Hicks presided over the hearing. The public hearing was required due to the fact there are two new location projects listed on the MCN TIP, the Okmulgee Sidewalk and the Equipment Storage Building. The public hearing was advertised in the Okmulgee Times each week for a one month period preceding the meeting (see attached advertisement). The following items were presented at the meeting for public comment:

- Public Hearing Agenda
- Copy of 2017 Proposed TIP
- Maps of project locations
- Project Descriptions of each project
- Explanation of the Tribal Transportation Project Process

At the public hearing there were no written or oral comments made concerning the TIP. In the week previous to the meeting an employee from the City of Okmulgee came to the MCN Transportation office to inquire about the location of the sidewalk project. There were no written or oral comments received in the five days following the public hearing.

This concludes the public involvement process for the MCN 2017 TIP.
