Muscogee (Creek) Nation Historic & Cultural Preservation Department Cemetery Preservation Application

This application is for a cemetery cleanup, which will assist in the preservation and recordation of Muscogee (Creek) Nation (MCN) associated cemeteries located within the current tribal boundaries of the MCN. This applies to burials located on a church ground, current/former allotment, and family owned land or private owned land.

Individuals wishing to apply for GPR services should submit this application to:

Muscogee (Creek) Nation
Historic & Cultural Preservation Dept.
Attn: Cemetery Preservation Program
P.O. Box 580
Okmulgee, OK 74447

****Eligibility will be limited to one (1) request for GPR service every four years. In the event that the applicant does not own the property, the landowner's written permission must be obtained by the applicant and documented within this application.*
