

Join Children and Family Services in hosting our first:

Luggage Drive

March 1st

10am - 2pm

@ Council House

A trash bag is NOT a suitcase. We encourage you, your families, your friends, and your coworkers to participate in this much needed effort. We are needing donations for new or gently used suitcases, duffel bags, backpacks, or any type of luggage for our Mvskoke youth in foster care. This will help our children to keep their belongings safe.

For questions or more information, you may reach us at (918)-732-7869 and ask to speak to foster care.
