## Citizenship Office's Identity Verification Process

The Citizenship Office will be implementing a new verification process on December 19<sup>th</sup>, 2016. This process will include verifying a Muscogee (Creek) Citizen's identity through primary and secondary form of Identification (ID) or a stand-alone primary form of ID when the Citizen is being issued a replacement Citizenship ID Card. The mail-in process will accept color-copied IDs (excluding birth certificate/FS-240 form) as well as a notarized statement stating that the original documents were seen. The notarized statement and the color-copied document must be completed on the same paper.

This verification process will be conducted every time a Citizenship ID Card is being issued to a Muscogee (Creek) Citizen. Due to the cause of identity theft and incidents of fraudulent cards being produced, this process will provide an additional method to protect the Citizen's information and will continue to uphold the integrity that the Muscogee (Creek) Nation Citizenship ID card has with state and federal entities.

This process will not interfere with any citizen's enrollment status, if by some chance a citizen cannot be issued a Citizenship ID Card until the appropriate form of IDs are submitted; the Citizenship Office will be more than happy to verify enrollment for the citizen through an enrollment verification to any other department or entity that may accept this form of verification. This enrollment verification process will be conducted on a department-to-department basis.

There will be a three-tier list of IDs that may be presented to the Citizenship Board office in order to be issued a replacement Citizenship ID Card. The Stand-Alone Primary IDs are made to be the only form of ID that does not have to be accompanied with a secondary form of ID. If a Stand-Alone Primary form of ID cannot be presented then a Primary form of ID will be required with at least one Secondary form of ID. Please reference the following list to what will be verified as a form of ID for the Citizenship Office's Identity Verification Process:
