

What is Head Start?

Muscogee (Creek) Nation Head Start is a highly efficient preschool program that focuses on preparing children for educational and social development. Children learn to accept themselves, explore the environment, learn on an individual basis, and as part of a group. Early childhood experiences determine how well a child performs in school and beyond. All children deserve a quality early educational experience. We want to enrich this developmental stage in each child's life, as he/she becomes prepared for public school.

Who is eligible?

- Children ages 3-4 years old
- Child has to be 3 years old by September 1st
