

NATIVE BUTTERFLY FARMER

Sustainable Agriculture Conference

This annual conference will focus on how Native American producers can implement climate-smart agriculture, build climate resilience, start using regenerative agriculture, and implement conservation practices to preserve natural ecosystems.

Guest Speakers will include USDA representatives & Professionals in agriculture. They will be available to answer any questions you may have.

NATIVES RAISING NATIVES PROJECT

This program is open to Native Americans who live within the native boundaries. It is free to get started- all the supplies and training will be supplied for **free** by the Euchee Butterfly Farm. Butterfly farmers will be compensated for each butterfly they successfully raised. Best of all it is a lot of fun!

Saturday February 10th, at 9:00AM

Registration starts at 8:30AM
