EUFAULA DORMITORY

ABOUT US

The Eufaula Dormitory is a U.S. Department of Interior-Bureau of Indian Education funded peripheral dormitory operated by the Muscogee (Creek) Nation. The dormitory is located in Eufaula, Oklahoma and offers residential care services for Native American students in grades 1-12. Our residential and academic support programs provide students the necessary structure and support to promote healthy growth and assist in the creation of a positive future for each student.

ACADEMIC SUPPORT SERVICES

The Eufaula Dormitory believes learning is best with collaboration between parents, students, teachers, counselors and administrators. Our education services program involves a rigorous pursuit of learning that is enjoyable and disciplined.

The program is designed to facilitate student success through the development and reinforcement of necessary academic skills. Students are required to attend study time at the dormitory and are assisted by state certified instructors. Our students have access to daily study hall at the dormitory, as well as tutoring offered through the public schools.

21ST CENTURY GRANT

The Eufaula Dormitory offers each student extended services, activities, and learning through our 21st Century Grant. This federal grant offers students a broad array of enrichment activities that can complement their regular academics and offers literacy and other educational services to the families of participating children.

COUNSELING

The Eufaula Dormitory offers counseling both on campus and off. Our approach promotes intellectual, emotional, and social growth, while emphasizing problem solving, critical thinking and higher order reasoning. This approach engages students in their own development and encourages them to take ownership of their decisions and actions.
